

117TH CONGRESS
1ST SESSION

S. _____

To provide funds through the Social Services Block Grant program for diaper assistance.

IN THE SENATE OF THE UNITED STATES

Mr. MURPHY (for himself, Ms. ERNST, Ms. DUCKWORTH, Mr. CASEY, Mr. TILLIS, Ms. COLLINS, and Mrs. GILLIBRAND) introduced the following bill; which was read twice and referred to the Committee on

A BILL

To provide funds through the Social Services Block Grant program for diaper assistance.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “COVID–19 Diaper As-
5 sistance Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Infants need between 6 to 12 diapers a day.

9 Infants and toddlers lacking access to clean diapers

1 have a greater risk for health complications, which
2 require costly and difficult to access medical care.

3 (2) Prior to the COVID–19 pandemic, surveys
4 indicated that 1 in 3 families in the United States
5 with young children could not afford an adequate
6 supply of diapers to keep their child clean, dry, and
7 healthy.

8 (3) Low-income families pay an even higher
9 than average price for diapers because they do not
10 have access to money saving alternatives such as
11 bulk buying or online shopping that can reduce
12 costs. Low-income families spend about 14 percent
13 of their income on diapers.

14 (4) Clean diaper access presents a financial and
15 stressful burden on families' dependent on child care
16 services. Research indicates that when diaper need is
17 a barrier to child care, parents miss an average of
18 4 workdays a month.

19 (5) The COVID–19 pandemic has further
20 raised demand for diapers and strained diaper
21 banks' ability to meet low-income families' needs.
22 Prior to the COVID–19 pandemic, nonprofit diaper
23 bank distribution only met 5 to 6 percent of diaper
24 need. Since the start of the COVID–19 pandemic,
25 diaper banks around the country have experienced

1 double, triple, or greater increase in demand for dia-
2 pers due to the pandemic and economic shutdown.
3 Nonprofits alone cannot fully address this public
4 health crisis that impacts 1 in 3 families in the
5 United States.

6 **SEC. 3. TARGETED FUNDING FOR STATES FOR DIAPER AS-**
7 **SISTANCE THROUGH THE SOCIAL SERVICES**
8 **BLOCK GRANT PROGRAM.**
